

U.S. Department of Energy Draft Repository SEIS,  
Draft Nevada Rail Corridor SEIS and Draft Rail  
Alignment EIS

## HEARING COMMENT SHEET

Name: Norma Price

RRR000246

COMMENTS:

A [ True: when nuclear energy was first sold to  
the public, we were not cognizant of its poisonous, long term  
effects, nor its long term radioactive  
life.  
However, Nevada is not the wasteland  
for the mistakes made. What is now nuclear  
waste in other places should be  
dealt with in those areas and  
not transported to Nevada Yucca Mtn.  
We are being victimized by DOE mistakes ]

Please feel free to attach additional pages (if mailing, more postage may be needed.)

If you want to receive information about the Draft Repository SEIS, the Draft Nevada  
Rail Corridor SEIS or the Draft Rail Alignment Environmental Impact Statement by mail, please

Please note: Your comment(s) must be received by the Department of Energy by January 10,  
2008 to be considered. Comments received after the close of the comment period will be  
considered to the extent practicable.

If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid,  
self-mailer. To do so, fold in thirds along the dotted line so the address and postage-paid notice  
are visible, then secure with tape.
